Driswood Elementary School
“West Virginia Exemplary School 2012-2013”
2014 WVDE Success School!
2016 OEPA Best Practice School

Dear Parents and Students,

WELCOME to Driswood Elementary School! Please read the following school policies and procedures in our student handbook carefully. A Jefferson County Handbook is also provided to inform you of all Jefferson County and West Virginia state regulations. We look forward to working with you and your child during this school year. Our parent volunteer program is a great way for you to be involved in your child's education. Even if you work outside of the home, there are many opportunities for you to become involved. Please come to our PTO meetings for more information on volunteering.

Safety is a vital concern for all parents and educators. Driswood has many procedures in place to help ensure the safety of your child and our staff. **ALL** parents and visitors to our school must present a government ID to be admitted and have a visitor's pass printed to go beyond the front lobby. Parents who are given a visitor pass to visit a particular classroom or area of the building are not to visit another class or area of the building. **The only time you should go to your child's classroom is if you have a scheduled appointment.** We ask for your cooperation with this so that we can protect valuable instructional time and provide a safe and secure environment for every child. Our students and staff know to be alert for anyone who does not display a picture ID or have a visitor's pass. Our goal is to provide supervision for every child. **Teachers may not leave their classrooms unattended to speak or meet with you.** *Please call or send a note to your child's teacher so that a conference may be scheduled at an appropriate time.* **If you are in need of any assistance any time, please call 304-885-5020!** We would be glad to schedule an appointment to meet and talk with you. Working together as a home-school team is the best way to help our students succeed.

Sincerely,
Driswood Staff

DRISWOOD ELEMENTARY **SCHOOL MISSION**

Our Students will....

Demonstrate learning at rigorous levels
because they are

Expected to learn in a

Supported environment.

GENERAL INFORMATION

ATTENDANCE

Our school day begins at **8:45 a.m.** and ends at **3:25 p.m.** Students who **arrive after 8:45 to their assigned homeroom are counted as tardy.** **Students may not arrive unattended before 8:30 a.m. The school will not accept responsibility for supervision of students who arrive before 8:30 a.m.** To be counted present the entire day, the student must check into the office by 11:30 a.m. or not check out prior to 1:00 p.m. All tardies and absences are reported to the Attendance Director. Students may not leave the school grounds without permission from the school administration. Staff members are on duty from 8:15-3:45 daily. **DES Perfect Attendance** for each nine weeks is counted as zero tardies and zero early outs. An **Educational Leave of Value** up to 10 days excused may be approved yearly for each student and is at the discretion of the school principal.

A written excuse dated and signed by the parent or guardian must be brought to school with the student the day following an absence. Please refer to the Jefferson County Parent Handbook for our attendance policy.

Excessive late arrivals, early dismissals, and absences will be referred to the Student Assistance Team (SAT) and to the County Attendance Officer. Transfer students with approved transfers and excessive absences and tardies who do not follow the attendance policy will be reversed and recommended for transfer to their home school district.

EARLY DISMISSAL

Our dismissal time is 3:25 p.m. No student will be permitted to leave school grounds without prior permission and having been signed out in the office by an adult listed on their emergency form. School attendance is critical and off-campus permission will generally be granted for the following reasons only:

- ❖ student illness
- ❖ doctor or dental appointments

❖ family emergencies

Excessive early dismissals or late arrivals (even 5-10 minutes) have a negative effect on your child's right to an education. Please schedule appointments after the school day. We value instructional time and it is crucial to not interrupt the teaching-learning process.

In case of an emergency, each student is required to have on file at the school office the following information:

CHILD ABUSE / NEGLECT

Educators are required by law to report any known or suspected cases of child abuse or neglect. Parenting is a privilege and a responsibility.

FIRST AID

School personnel, by law, are not allowed to administer first aid except in emergency situations. Also, we are not allowed to administer any kind of medication unless prescribed by a doctor and provided by the student's parents or guardian. The appropriate **MEDICATION ORDER FORM** must be completed by the physician and parent/guardian. You may obtain these forms from the school nurse or the office. Concerning scratches and cuts, we are only able to wash these injuries with soap and water. Because of the threat of Lyme disease, we are unable to remove ticks that are embedded under the skin. We cannot apply disinfectants or dressings. If at any time we feel that your child needs medical attention, we will first try to reach you by phone. In the event you cannot be contacted, Emergency Medical Services (EMS) will be summoned to transport your child to the nearest hospital (at your expense).

Please make every effort to get your child's emergency form completed and returned to us the first week of school! It is important that you include a number on this form where you can be reached or of someone who can contact you at all times. **IF ANY PHONE NUMBERS CHANGE THROUGHOUT THE SCHOOL YEAR, PLEASE ADVISE THE OFFICE AS SOON AS POSSIBLE.** Also, please promptly return any care plans that were sent home to review over the summer.

Nursing services will be very limited and may be available for emergencies only. **Non-essential medications will not be administered. Students will not be provided cough drops or allowed to bring them to school for the nurse to provide.**

For all medications (prescription and over the counter) given at school, a **MEDICATION ORDER FORM** must be on file that has been completed and signed by the parent and the doctor. Each prescription medication must be in a properly labeled container from the pharmacy. (You may want to ask the pharmacist to label two containers -one for home and one for school.) All

over-the-counter medications must be in the original container and labeled properly. Short-term prescribed medications such as antibiotics will **only** be administered if the physician deems it necessary to be given during school hours.
